Date	03/10/24		Number	1
To	Manubay,Dexter		Reminder	1
Address	B6,l6;Dr. Jose P. Laurel Street			

Outstandig Balance: Php 13,250

As you have chosen to be a member of the homeowners association of Pilar Executive Village, we would like to remind you that the monthly dues should be payed on time and in time. We would like you to offer service to keep the area safe and clean but can not organize or take care of matters when we do not have the means. As the group has recent grown, projects for safety, like streetlights, grass cutting, access to the area by stickers and street cleaning have been started. More projects will be announced provided all members will provide the means and help. All of us would be grateful if you would also provide us the means to do so. With your co-operation the monthly dues can be kept at reasonable levels. In that way the volunteers in the board can focus attention on the projects and solving problems to provide a good standard of living.
